**Initial Term: 01 January 2016 to 31 December 2016. Thereafter, each renewal term is for one year, commencing on January 1 and ending on December 31.**

**Use of Trademark:** ORCID is a community-based initiative and as such, is eager to promote the participation of its Members. To that end, if the “Agree” box is checked, ORCID may use during the Initial Term and any Renewal Term Consortium Leader’s name and logos for the limited purposes of indicating that ORCID and Consortium Leader have entered into this ORCID License Summary, to identify Consortium Leader as a Consortium Member of ORCID (if relevant), and to publicize any links Consortium Leader creates from its website to the ORCID website.

Agree     Disagree

**Consortium Members:** Consortium Leader represents a consortium of organizations whose members shall have the opportunity to become members of ORCID hereunder. Consortium Leader represents and warrants that each entity listed on Exhibit 1 (a “Consortium Member” and collectively, the “Consortium Members”) is a member of its consortium and has signed an Accession Agreement in the form of Exhibit 3A or 3B, under which it is legally bound to the terms and conditions set forth in Appendix A (ORCID Standard License Agreement) hereto. Consortium Leader shall provide ORCID with a copy of each such signed Accession Agreement. For purposes of clarity, a Consortium Member that signs an Accession Agreement is acting in its individual capacity and becomes a Trusted Party Member of ORCID entitled to the Trusted Party Member Benefits. Consortium Leader also may become a Trusted Party Member of ORCID by signing an Accession Agreement and listing itself on Exhibit 1. Exhibit 1 sets forth a list Consortium Members which may be updated from time to time by Consortium Leader upon written notice to and confirmation by ORCID.

Only institutions of higher education, nonprofit organizations, and government research funding agencies located in and organized under the laws of Australia are entitled to be covered under the Consortium Fee (defined below), and Consortium Leader represents and warrants that each institution listed on Exhibit 1 is such an entity.

**Payment Terms:**

ORCID Classification: **Consortium**

Membership Level: **Premium**

**Consortium Fee: US\$135,000 per year for 2016, as per the pricing schedule below. Any Consortium Member that has a pre-existing and paid ORCID membership will be deducted from the initial year fee calculation for consortiums with fewer than 30 members. Consortium Leader shall be responsible for collecting and paying the Consortium Fee to ORCID.**

- **5-9 members: US\$ 6000 each**
- **10-19 members: US\$ 5000 each**
- **20-29 members: US\$ 4000 each**
- **30-99 members: US\$ 135,000 total**
- **100-250 members: US\$ 200,000 total**

Each Consortium Member must have its own Member API Credential. If at any time during the Term or a Renewal Term there are fewer than 5 Consortium Members licensed, the fees shall be adjusted to ORCID's standard licensing fee for individual Members and the discount rate shall no longer apply effective immediately.

The Consortium Fee shall be due net 90 days from signing this ORCID License Summary. The Consortium Leader is only liable to pay the Consortium Fee in respect of a Consortium Member from whom it actually receives payment. The Consortium Leader will use reasonable endeavours to obtain payment from Consortium Members in a timely manner. If Consortium Leader adds any additional Consortium Members during the Initial Term or a Renewal Term resulting in a change in the membership bands set forth in above, ORCID reserves the right to charge additional fees which shall be due net 90 days from the date such Consortium Member is added.

Lower or higher fees based on the number of Consortium Members will be evaluated at each Renewal Term. Renewal fees shall be due net 90 days from the date set forth in an annual invoice sent by ORCID. ORCID reserves the right to increase fees on an annual basis consistent with ORCID's nonprofit status and mission to be self-sustaining. Fee increases will be no more than 3% per annum and ORCID will provide no less than 60 days' advance notice to Consortium Leader of any such fee increase. Consortium Leader shall have the right to elect not to renew for a Renewal Term within a period of thirty (30) days of such notice of a fee increase.

All payments shall be made in United States Dollars.

Any undisputed payments made more than sixty (60) days after they are due and payable shall be subject to a 1.5% monthly interest charge, and ORCID reserves the right to freeze access to Consortium Leader's Member API Credential(s) until undisputed payments are made. All payments shall be made by check payable to ORCID Inc., by credit card, or by wire transfer to ORCID. Consortium Leader will be liable for all actual, direct, and reasonable costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by ORCID in collecting any past due amounts. There shall be no tax withholdings deducted from any fees owing to ORCID hereunder.

**A Note about Service Providers:**

As used herein, "Service Provider" means an organization that provides services or products to other organizations based on the use of its Member API Credential, other Member Benefits, or the creation or authentication of ORCID iDs. Service Providers must require their customers to have their own API credentials, whether in the form of a free Public API Credential or a paid Member API Credential. For example:

- *For organizations providing submission management or other services to publishers:* Each publisher must have its own API credential (free Public API Credential for authentication only or paid Member API Credential for authentication, access to Limited Access Data, ability to update ORCID records, or for premium members access to the update notification).

## ORCID Trusted Party Non Binding Consortium License Agreement

- *For organizations providing information systems to universities:* Each university must have its own API credential (free Public API Credential for authentication only or paid Member API Credential for authentication, creation of ORCID Records, access to Limited Access Data, ability to update ORCID records, or, for premium members, access to the update notification API)).

The above are illustrative examples only; Service Providers are encouraged to discuss their plans with ORCID in advance of implementation.

**Technical Support:** The Consortium Fee covers the provision of Member API Credentials for each Consortium Member set forth on Exhibit 1 plus the technical support set forth in Exhibit 2. ORCID will provide two technical Webinars for onboarding purposes, will help to train the consortium technical lead, and will provide a web interface for communication and collaboration purposes. Following the onboarding webinars, Consortium Leader shall be responsible for receiving all technical support queries from Consortium Members and forwarding those it cannot address to ORCID, onboarding each new Consortium Member, and providing ongoing Tier 1 technical support to Consortium Members. ORCID will provide Tier 2 support for tickets forwarded by the Consortium Technical Lead. ORCID will issue all Member API Credentials, but credential requests should be routed through the Consortium Leader Tier 1 Helpdesk.

**Notices:** Any notice required to be given by ORCID hereunder shall be given only to Consortium Leader’s Main Contact. It is Consortium Leader’s responsibility to keep its contact information up to date and to forward any such notice to the Consortium Members in a timely manner.

This ORCID License Summary and any amendments may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one agreement. **EACH PARTY MAY USE A PAPER (WET) OR ELECTRONIC SIGNATURE, EACH OF WHICH SHALL BE DEEMED TO BE AUTHENTIC AND EQUALLY ENFORCEABLE.**

IN WITNESS WHEREOF, ORCID and Consortium Leader have caused this ORCID License Summary to be executed by a duly authorized representative.

## **Exhibit 2: Consortium Member Support Services**

### **What ORCID requires:**

- A consortium technical lead coordinated by Consortium Leader who can answer common technical questions of the Consortium Members (Tier 1) and refer other questions to ORCID support (Tier 2). The technical lead will be responsible for receiving all consortium member help desk tickets, addressing common questions (see training, below), and escalating tickets to the ORCID Help Desk.
- Consortium Members will provide the Consortium Leader basic information about the members, contacts, local helpdesk, and integration efforts that ORCID can direct users to if they have questions (Exhibit 1). Consortium Members will seek consent from any individuals informing them of the disclosure of this information to the Consortium Leader and ORCID. This information will be provided to ORCID by the Consortium Leader and the information may be listed on the consortium community portal provided by ORCID.
- Consortium Members will provide notification to the Consortium Leader when launching an integration or starting a drive to encourage user registration to enable coordination across new releases. The Consortium Leader will provide this information of the notification to ORCID.
- If over 30,000 researchers will be asked to register in a period of less than one month, the Member will use best efforts to notify the Consortium Leader in writing at least 35 days in advance. The Consortium Leader will use best efforts to notify ORCID at least 30 days in advance and may be requested to provide temporary support staff to work with ORCID or provide a regularly staffed help desk ORCID can refer users to during the period of increased ticket volume.
- If English is not a common language among researchers, ORCID may ask Consortium Leader to provide translations of answers to ORCID's most common technical questions, particularly questions about why researchers should register with ORCID. The Member shall reimburse the Consortium Leader of any expenses incurred for translation services.

### **What ORCID provides:**

- Support for (2) one-hour technical onboarding calls, led by the Consortium Lead and technical contact.
- Training for the Consortium Lead technical contact, including a mini-course, weekly check-ins, assistance with planning onboarding webinars, and development of a consortium FAQ.
- All resources on the Knowledgebase (including documentation, videos and slides) and a summary page of consortium-specific links that Consortium Leader can distribute to its Consortium Members.
- Access to the API Users forum for questions, some of which may be answered by the community, not directly by ORCID support, to supplement the direct support from the consortium lead technical support team.
- Tier 2 English-language technical support via the normal channels (Consortium Lead forwarding tickets to support@orcid.org) during ORCID business hours.
- In addition to these resources, to facilitate communication, ORCID may work with the Consortium Leader to develop an online consortium interface hosted through the orcid.org site. Information and communication within these online communities would be used by Consortium Members to share implementation and engagement practices and to provide peer-level support, including features such as FAQs, Help desk forum/tickets, forums, listservs, Wikis, and event calendars. For consortia numbering 30 or more, ORCID may offer an in-person kick-off meeting with technical support. Smaller consortia interested in this service are requested to provide travel support (plane and hotel) for 2 persons.

### Exhibit 3: Accession Agreement (Standard)

#### ACCESSION AGREEMENT

This Accession Agreement (the “Accession Agreement”) is entered into by and between ORCID, Inc., a Delaware nonstock corporation located at 10411 Motor City Drive, Suite 750, Bethesda, MD 20817 (“ORCID”) and [NAME OF CONSORTIUM MEMBER], an Australian [TYPE] entity located at [ADDRESS] (“Consortium Member”) as of [DATE CONSORTIUM MEMBER SIGNS].

1. The capitalized terms used herein have the meanings ascribed to them under the Agreement unless otherwise specified.

2. Consortium Member agrees to abide by all of the terms, conditions, licenses, obligations, representations, and warranties set forth in the Agreement as applicable to a Consortium Member.

3. Consortium Member represents and warrants that it has the authority to enter into this Accession Agreement, and bind itself to the terms, conditions, licenses, obligations, representations, and warranties contained herein and under the Agreement. Consortium Member further represents and warrants that it has caused this Accession Agreement to be executed by a duly authorized representative.

4. Consortium Member represents and warrants that it is organized and operated for charitable, scientific, literary or educational purposes, and that no part of its net earnings inures to the benefit of any private shareholder or individual.

5. This Accession Agreement, together with the Agreement, including the Appendices, the Privacy Policy (as amended by ORCID from time to time), the Member Benefits (as amended by ORCID from time to time), and the ORCID Dispute Procedures (as amended by ORCID from time to time) shall constitute the entire set of understandings between the parties with respect to the subject matter herein and shall supersede all oral or written understandings with respect to such subject matter. Any amendment to this Accession Agreement must be in a writing signed by both parties. (The Agreement may be amended subject to its terms.)

6. Waiver of any provision herein shall not be deemed to be a waiver of any other provision herein or of the Agreement, nor shall waiver of any breach of this Accession Agreement be construed as a continuing waiver of other breaches of the same or other provisions of this Accession Agreement or the Agreement. If any provision or provisions of this Accession Agreement are held to be invalid, illegal, unenforceable, or in conflict with the law of any jurisdiction, the validity, legality, and enforceability of the remaining provisions of this Accession Agreement and the Agreement shall not in any way be affected or impaired thereby.

7. The parties expressly exclude, if applicable, the application of the United Nations Convention on Contracts for the International Sale of Goods. The Parties agree that a judgment on the award rendered by the arbitrator may be entered in any court having competent jurisdiction thereof. Notwithstanding the foregoing, either Party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered. Licensee acknowledges that unauthorized use of the Member API Credential, the ORCID Registry, and/or security breaches might cause ORCID irreparable harm.

8. Where notice to Consortium Member is required hereunder or under the Agreement, it shall be sufficient for ORCID to provide notice to Consortium Leader. In no event shall ORCID be deemed to have failed to meet a notice requirement because of Consortium Leader’s failure to provide timely notice to a Consortium Member. Notice shall be deemed to be given by ORCID to Consortium Member the day after ORCID provides notice to Consortium Leader. Although not required to do so, ORCID may elect to provide electronic notice directly to Consortium Member as follows:

Consortium Member may update its address for notice pursuant to the notice provisions under the License Agreement.

9. ORCID is a community-based initiative and as such, is eager to promote the participation of its Members. ## Appendix A: ORCID Standard License Agreement

### Appendix A: ORCID Standard License Agreement

This Appendix A is an addendum to the ORCID License Summary between ORCID and the Consortium Leader, and is an integral part thereof. Consortium Leader and each Consortium Member set forth in Exhibit 1 to the ORCID License Summary shall be a party to, and bound by the terms and conditions of, this Agreement, including without limitation, this Appendix A. Each of ORCID, Consortium Leader and Consortium Member shall be a “Party” hereunder and collectively shall be the “Parties.” Terms not defined in the ORCID License Summary or herein are defined in Appendix B.

#### 1. Grant of License from ORCID and Trusted Party Member Benefits.

In addition to access to the ORCID Registry which is available to the public under the terms set forth in the terms and conditions of use on the ORCID website, each Consortium Member shall have the Trusted Party Member Benefits available to its category of ORCID membership which shall include at a minimum those benefits set forth in this Article 1. Trusted Party Member Benefits may be added and amended from time to time by ORCID beyond those set forth in this Article 1, and current Trusted Party Member Benefits shall appear on the ORCID website. All Trusted Party Member Benefits are subject to the terms and conditions of this Agreement. The license set forth in Section 1.1 and the other Trusted Party Member Benefits shall remain in effect for the Initial Term (or the relevant Renewal Term) of the Agreement set forth in ORCID License Summary, unless earlier terminated under Article 8, or restricted under Section 4.2.

**1.1 Grant of License.** As of the Agreement Date, and subject to timely payment in full of the fees set forth in the ORCID License Summary, ORCID grants to each Consortium Member a non-transferable license to use the Member API Credential(s) to access the Member APIs, and deposit/edit and Use Record Data subject to the relevant Privacy Settings and terms and conditions set forth in this Agreement. All rights not expressly granted herein are reserved by ORCID. Nothing herein shall require any Consortium Member to exercise any of the Trusted Party Member Benefits.

**1.2 Deposit/Edit Data.** Each Consortium Member shall have the ability to deposit and edit Record Data in existing ORCID Records where the relevant Individual has granted the Consortium Member authority as a Trusted Organization, subject to the following:

- (i) Each Consortium Member shall only deposit/edit the type and scope of Record Data for which it has consent from an Individual through the ORCID mechanism for granting consent to Trusted Organizations.
- (ii) Each Consortium Member shall only deposit/edit Record Data that to the best of its knowledge at the time of deposit/edit is true and correct and is associated with the correct Individual and ORCID Identifier. If after the time of deposit/edit, a Consortium Member becomes aware that any Record Data it deposited/edited is incorrect, the Consortium Member shall correct or inform the relevant Individual and ORCID. A Consortium Member is under no obligation to update Record Data other than to correct any Record Data that were not true and correct at the time of deposit/edit or inform ORCID and the relevant Individual that such Record Data is incorrect, and shall have no liability for ORCID’s continued Use

of uncorrected Record Data after the Consortium Member has corrected it or informed the relevant Individual and ORCID.

(iii) If a Consortium Member deposits/edits any links to articles, blogs, data sets or other works which may be subject to intellectual property protection, it shall only do so in a manner that does not to its knowledge violate the copyright or any other intellectual property rights of a third party.

(iv) Subject to the terms and conditions of this Agreement, Each Consortium Member grants to ORCID a fully-paid, royalty-free, non-exclusive, worldwide, perpetual, irrevocable license for any and all rights necessary to allow ORCID and the public to Use such deposited/edited Record Data, subject to any Privacy Settings.

**1.3 Data Searching, Downloads and Alerts.** Each Consortium Member shall have access to the Member APIs to query the ORCID Registry and download Record Data, including Limited Access Data if granted the right by the relevant Individual or Trusted Individual. In addition, each Consortium Member shall have access to a periodic usage and a data file containing Public Data and Limited Access Data to which it has been granted access by the relevant Individual or Trusted Individual.

**1.4 Technical Support.** ORCID will provide Consortium Leader and the Consortium Members with the technical support set forth in the ORCID License Summary. Technical support must be coordinated through the Technical Contact set forth in the ORCID License Summary and in Exhibit 1.

**1.5 Nominations for ORCID Board.** Individuals representing Consortium Members may be nominated to serve on the ORCID Board of Directors, consistent with ORCID’s By-laws which are available on the ORCID website; provided, however, that only one such person from the Consortium Members may be a Director at any given time.

**1.6 Limitations on Consortium Member’s Use.** Each Consortium Member is prohibited from and agrees to the following restrictions:

- (i) Not to allow any other entity to use its Member API Credential(s) except to assist Consortium Member on Consortium Member’s own behalf;
- (ii) Not to disclose to any other person or entity Limited Access Data unless (i) such data is publicly available from another source, or (ii) Consortium Member provides notice to the Individual how and to whom such data will be disclosed;
- (iii) Not to deposit/edit types of data other than those permitted by a specified field, and not to include any full works in such fields (in other words, only metadata and links to works may be deposited/edited and not texts of articles, blogs, or publications and datasets);

- (iv) Not to deposit, edit, or modify any ORCID Record in a manner that knowingly makes it false, untrue, misleading or libelous in whole or in part, or knowingly make use of any ORCID Record in any manner that does any of the foregoing or violates the rights of publicity or privacy of any Individual;
- (v) Not to use any Record Data to contact any Individual for marketing purposes without giving the Individual the right to opt-out of such marketing communications;
- (vi) Not to Use Record Data to send “junk mail,” “spam,” “chain letters,” “pyramid schemes,” or similar schemes;
- (vii) Not to use Record Data to harass, abuse or harm another person;
- (viii) Not to override, circumvent, or disable any encryption features or software protections employed to protect the security of the Member API Credential(s), the ORCID Registry or Record Data;
- (ix) Not to manipulate identifiers to disguise the origin of any Record Data; knowingly upload or post any Record Data that contains software viruses or any other computer code, files, or programs designed to interrupt, destroy, or limit the functionality of any software, hardware, or telecommunications equipment; or intentionally interfere with or disrupt ORCID servers or networks;
- (x) Not to use any or all of the Member API Credential(s) or its Member Benefits to create a service or product that allows organizations to obtain the benefits of those Member Benefits without being an ORCID Member; and
- (xi) Not to use any or all of the Member API Credential(s), the Trusted Party Member Benefits, the Member APIs, or the ORCID Registry in violation of this Agreement, or in any manner that is otherwise illegal in the United States of America (“U.S.”) and the jurisdiction in which the Consortium Member is located if other than the U.S.

**1.7 Limitations on ORCID’s Use.** ORCID shall only use and make available via the ORCID Registry and the Public Data File Record Data as permitted by this Agreement, and to the extent that any Record Data is edited or removed as permitted by this Agreement, the viewable Registry and future Public Data Files shall reflect such changes.

### 1.8 Consortium Member Obligations

Without limiting any of its obligations elsewhere in this Agreement, each Consortium Member separately covenants with ORCID and the Consortium Leader that it will comply in full with the terms set out in Exhibit 2 (“Consortium Member Support Services”). Furthermore, each Consortium Member agrees that it will not do, or fail to do, anything which does or may cause the Consortium Leader to breach this Agreement.

## **2. Intellectual Property Ownership.**

**2.1 Ownership of ORCID Registry and Marks.** As between the Parties, ORCID owns all rights, title, and interest, including without limitation, applicable database rights, in and to the ORCID Registry and the software developed by ORCID, the System Data, the Member APIs, the Member API Credential(s), and the ORCID Marks, as defined in Section 2.2 (collectively, the “ORCID Intellectual Property”); provided, however, ORCID Intellectual Property does not include any individual data elements in the ORCID Registry. ORCID makes its Registry software available under an open source license whenever

legally possible. (See Open Source Project on the ORCID website.)

**2.2 Use of ORCID Trademarks.** Consortium Leader and each Consortium Member is encouraged to use ORCID’s name, logo, and other trademarks (the “Marks”) to announce its status as a consortium leader (in the case of Consortium Leader), their use of the ORCID Registry and their status as Members (in the case of Consortium Leader only if it is a Consortium Member), provided that Consortium Leader and each Consortium Member correctly identifies the Marks as a trademark under U.S. and other laws if requested by ORCID. (See Trademark and iD Display Guidelines on the ORCID website.) Consortium Leader and each Consortium Member may not use the Marks in any way likely to cause confusion as to the origin of goods or services or to suggest endorsement by ORCID, except as specifically approved by ORCID in writing.

## **3. Delivery and General Support.**

**3.1 Requirements and Modifications.** ORCID is responsible for hosting the ORCID Registry, the associated internal ORCID hardware (the “ORCID Hardware”) and the network connections from the ORCID Hardware to the Internet. Each Consortium Member is solely responsible for establishing and maintaining its hardware (the “Member Hardware”) and the network connections from the Member Hardware to the Internet (the “Member Network”) as it deems necessary to provide its access to, and use of, the ORCID Registry and the Member APIs.

**3.2 Unavailability of the ORCID Registry.** ORCID shall use commercially reasonable efforts to provide continuous availability of the ORCID Registry and the Trusted Party Member Benefits. However, Consortium Leader and each Consortium Member recognize that the ORCID Registry and the Trusted Party Member Benefits may not be available from time to time due to maintenance of the server(s), the installation or testing of software, and downtime relating to equipment or services outside the control of ORCID including, but not limited to, telecommunications services or internet nodes or facilities; provided, however, that ORCID shall give Consortium Leader reasonable advance notice of any downtime within ORCID’s reasonable control.

**3.3 Premium Membership.** In addition to the commitments set forth in this Agreement, ORCID shall provide a call-back API, higher allowed API requests per day, custom reports and data files, and premium support services. Premium benefits also include the ability for each Consortium Member to be issued up to five (5) Member API Credentials for use in different system integrations at the same organization.

## **4. Privacy, Security and Usage Data.**

**4.1 Data Protection.** ORCID shall use commercially reasonable efforts to protect the security and integrity of the ORCID Registry (including, without limitation, Member API Credentials, passwords, usernames, and IP addresses) and Record Data, as set forth in its Privacy Policy, including storing information in a data center with restricted access and monitoring, using secure socket and intrusion detection software, and hashing for passwords. ORCID shall promptly notify Consortium Leader upon learning of any material security breach related to a Consortium Member’s API Credential(s) or upon ORCID’s

determination that there has been a material breach to the security of the ORCID Registry generally.

**4.2 Protection of the Member API Credentials, the ORCID Registry and ORCID Record Data.** Each Consortium Member agrees to use its Member API Credential(s) only as set forth in this Agreement, and shall take reasonable efforts to protect its Member API Credential(s) from any security breaches or other use that is in violation of this Agreement or applicable law. Each Consortium Member shall be liable for its intentional misconduct or negligent use of the Member API Credential(s), except in the event that it establishes that a security violation of its Member API Credential(s) is due to ORCID's fault. Consortium Leader and each Consortium Member agrees to notify ORCID promptly upon (i) learning of any violation or alleged violation of this Agreement or security of its Member API Credential(s) or the ORCID Registry or (ii) becoming aware that any Record Data it has deposited/edited or any Privacy Setting it has selected violates or may violate the rights of privacy, publicity or other rights of an Individual. Consortium Leader and each Consortium Member further agrees to cooperate fully with ORCID in investigating and curing violations or alleged violations, including, without limitation, assisting ORCID in providing Individuals with any required notices. Additionally, in the event of a violation of this Agreement, Consortium Leader and each Consortium Member understands and agrees that ORCID may (without limiting any other remedies ORCID may have) impose temporary restrictions on use of Member API Credential(s) and access to the ORCID Registry until the violation is cured.

**4.3 Monitoring and Gathering Usage Data.** To protect the security of Member API Credentials and the ORCID Registry against unauthorized uses and to learn about the uses made of the ORCID Registry and the Member APIs, ORCID may monitor activity and use of Member API Credentials and the Member APIs.

**5. Fees.** Consortium Leader shall make payments to ORCID, under the terms set forth in the ORCID License Summary. ORCID reserves the right to charge additional fees for any additional Trusted Party Member Benefits that become available and that Consortium Leader elects to license on behalf of Consortium Members during the Initial Term or Renewal Term. Each Consortium Member shall be responsible for paying all fees and payments associated with their membership of the Consortium to the Consortium Leader. Each Consortium Member shall pay an Annual Leader Fee to the Consortium Leader as outlined on the Consortium Leader's website. Consortium Members shall make all payments to the Consortium Leader no later than 28 days after the date set out in the Consortium Leader's invoice. Renewal fees shall be due 28 days from the date set forth in an annual invoice sent by the Consortium Leader. Failure to pay fees within the Consortium Leader's payment terms may result in the revocation of the relevant Consortium Member's membership of the Consortium. Each Consortium Member will additionally be liable for reimbursing the Consortium Leader all actual, direct, and reasonable costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by the Consortium Leader in collecting any past due amounts from the Consortium Member. Each Consortium Member shall be solely responsible

for all costs associated with its Member Hardware (as defined in Section 3.1), its Member Network (as defined in Section 3.1) and establishing its access to and use of the Member API Credential(s), the ORCID Registry and Trusted Party Member Benefits. Consortium Leader shall be solely responsible for sales, use, or other taxes or other costs and fees relating to each Consortium Member's use of the Member API Credential(s), the ORCID Registry, and the Trusted Party Member Benefits other than taxes based upon or credited against ORCID's income.

**6. Disputed Data; Withdrawal of Data from the ORCID Registry.** ORCID shall assist in resolving disputes between users (including, without limitation, between Individuals, Consortium Members, and other Members) of the ORCID Registry regarding ORCID Identifier ownership claims, data accuracy and integrity, and Individual identity, in accordance with policies and procedures set forth in the ORCID Dispute Procedures, which is incorporated herein by reference. Notwithstanding the foregoing, ORCID makes no representation about and shall not be responsible for the accuracy of data deposited in the ORCID Registry. ORCID reserves the right to remove from the ORCID Registry and its servers any Record Data or disable access to parts of the ORCID Registry as it deems necessary.

**7. General Representations and Warranties, Disclaimers, Limitation of Liability.** Each Party represents and warrants that it has the authority to enter into this Agreement, and to bind that Party to the terms and conditions herein. Each of ORCID and Consortium Leader further represents and warrants that it has caused the ORCID License Summary to be executed by a duly authorized representative. The Parties acknowledge that except as set forth herein, no Party makes any representations or warranties regarding (a) the accuracy of Record Data; (b) misuse of Record Data by third parties; (c) freedom from defamation or infringement of rights of privacy through use of the Record Data; (d) lack of viruses, bugs or other impairments to computer systems and software; and (e) links to other websites and content found there.

**7.1 Disclaimer.** OTHER THAN THE EXPRESS REPRESENTATIONS AND WARRANTIES STATED IN THIS AGREEMENT, THE ORCID REGISTRY, RECORD DATA, THE PUBLIC DATA FILE, THE MEMBER API CREDENTIAL(S), THE MEMBER APIS, AND/OR THE TRUSTED PARTY MEMBER BENEFITS (individually and collectively, the "ORCID SYSTEM") ARE PROVIDED ON AN "AS IS" BASIS, AND ORCID AND ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, AND REPRESENTATIVES (individually and collectively, the "ORCID PARTIES") DISCLAIM TO THE FULLEST EXTENT PERMITTED BY LAW ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES OF ANY KIND (EXPRESS, IMPLIED, ORAL, OR WRITTEN) RELATING TO THE ORCID SYSTEM, INCLUDING WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF QUALITY, PERFORMANCE, COMPATIBILITY, MERCHANTABILITY, AND/OR FITNESS FOR A PARTICULAR PURPOSE.

**7.2 Limitation of Liability.** SUBJECT TO CLAUSE 7.3, TO THE FULLEST EXTENT PERMITTED BY LAW, THE AGGREGATE LIABILITY OF THE EACH PARTY (INCLUDING ITS TRUSTEES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS AND REPRESENTATIVES) IN CONNECTION WITH THIS

AGREEMENT SHALL NOT EXCEED TWO TIMES THE FEES DUE TO ORCID HEREUNDER DURING THE INITIAL TERM OR THEN-CURRENT RENEWAL TERM. IN NO EVENT SHALL THE PARTIES (INCLUDING THEIR TRUSTEES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS AND REPRESENTATIVES) BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES. FOR THE AVOIDANCE OF DOUBT, ANY PAYMENTS FROM CONSORTIUM LEADER OR A CONSORTIUM MEMBER TO ORCID IN CONNECTION WITH A CLAIM BY A THIRD PARTY AGAINST ORCID SHALL NOT BE DEEMED TO BE AN INDIRECT OR CONSEQUENTIAL DAMAGE FOR PURPOSES OF THE PRECEDING SENTENCE. Notwithstanding the foregoing, ORCID shall be entitled to full reimbursement of reasonable attorneys' fees and other reasonable costs associated with collecting any late fees due to ORCID.

**7.3 Exceptions.** The limitation in clause 7.2 does not apply: (a) in respect of the death or illness or, or personal injury to, any individual; (b) to any tangible property damage; (c) to claims for damages for any fraudulent and unlawful act or omission; (d) to any breach by ORCID of clause 4.1; or (e) to any claims in relation to the infringement of a third party's intellectual property rights.

**7.4 Consortium Liability.** Liability of Consortium Leader and of each Consortium Member shall be several, but not joint.

### 8. Term and Termination.

**8.1 Term/Renewal Term.** This Agreement shall continue in effect for the period set forth in the ORCID License Summary, and shall automatically renew for subsequent terms of one (1) year, unless either party gives written notice of termination within sixty (60) days of the end of the Initial Term (or any Renewal Term), in which case such termination shall be effective as of the end of the Initial Term (or Renewal Term).

**8.2 Termination for Convenience.** A Consortium Member may terminate this Agreement as between it and the other Parties for convenience at any time during the Initial Term or any Renewal Term (other than within sixty (60) days of the end of the Initial Term (or any Renewal Term)) by giving the Consortium Leader 30 days' written notice. In those circumstances, the Consortium Member will not be entitled to any refund of any amount paid to the Consortium Leader and /or ORCID under or in connection with this Agreement.

**8.3 Termination for Breach.** (a) *Termination for cause by Consortium Leader.* In the event that Consortium Leader believes ORCID has materially breached any obligations, representations, or warranties under this Agreement, it shall so notify ORCID in writing. ORCID shall have 10 days from the receipt of such notice to cure the alleged breach and to notify (in writing) Consortium Leader that such cure has been effected. If the breach is not cured within the 10-day period, Consortium Leader shall have the right to terminate the Agreement immediately upon written notice. (b) *Termination for cause by ORCID.* In the event that ORCID believes that Consortium Leader or a Consortium Member has materially breached any obligations (including timely payment of any fees due hereunder), representations, or warranties under this Agreement, it shall so notify Consortium Leader in writing. Consortium Leader/Consortium Member shall have 10 days from the receipt of such notice to cure the alleged breach and to notify (in writing) ORCID that such cure has been effected. If

the breach is not cured within the 10-day period, ORCID shall have the right to terminate the Agreement with respect to the Consortium Member immediately upon written notice; provided however, that if the breaching party is Consortium Leader, ORCID shall have the right to (i) terminate this Agreement with respect to both Consortium Leader and each Consortium Member. Nothing in this Section 8.3 shall limit ORCID's rights under Section 4.2.

**8.4 Effect of Termination.** Upon the termination or expiration of this Agreement, whichever occurs first, access to the Member API Credential(s) and Trusted Party Member Benefits for each Consortium Member shall be immediately terminated. If the termination applies only to a specific Consortium Member (rather than Consortium Leader generally), such Consortium Member shall be removed from Exhibit 1 of the ORCID License Summary, and only such Consortium Member's access to the Member API Credentials and the Trusted Party Member Benefits shall terminate. To the extent that a Consortium Member has deposited/edited any Record Data, such Record Data will remain in the ORCID Registry unless removed by an Individual or designated Trusted Individual(s) and Trusted Organizations before termination, or by ORCID pursuant to Article 6. Notwithstanding the foregoing, each Consortium Member shall have the ability to correct any information it discovers is incorrect after termination by informing ORCID about the inaccuracy, and ORCID shall seek to promptly correct the inaccuracy with the Individual and/or through the ORCID Dispute Procedures for conflicting claims regarding data. In the event of termination or expiration of a specific Consortium Member, this Agreement shall not automatically terminate with respect to Consortium Leader or other Consortium Members as well. In the event of the termination or expiration of Consortium Leader, ORCID shall have the option of terminating each Consortium Member's rights hereunder as well, in which case it will allow each non-breaching Consortium Member to enter into an ORCID member license agreement directly with ORCID at the individual member rate.

**8.5 Survival.** The provisions of Appendix B (Definitions), Section 1.2(ii) (correction of Record Data), Section 1.2(iv) (License to ORCID), Section 1.6 (ii) (use of Limited Access Data), Section 1.7 (Limitations on ORCID's Use), Section 2.1 (Ownership of ORCID Registry and Marks) and the last sentence of Section 2.2 (use of ORCID Trademark), Article 6 (Dispute Procedures), Article 7 (General Representations and Warranties, Disclaimers, and Limitation of Liability), this Article 8 (Term and Termination), and Article 9 (Miscellaneous) shall survive any termination or expiration of this Agreement and continue in effect.

### 9. Miscellaneous.

**9.1 Entirety of the Agreement.** The terms and conditions of this Agreement, including without limitation, this Appendix A (and Appendix B), the ORCID License Summary, the Privacy Policy, the Trusted Party Member Benefits, and the ORCID Dispute Procedures, each of which is incorporated herein by reference, and the Accession Agreement shall supersede all prior oral and written agreements between the Parties with respect to the subject matter of this Agreement and shall

constitute the entire agreement between the Parties with respect to its subject matter.

**9.2 Agreement Modifications.** In order to account for the evolution of ORCID and its sustainability and to operate in compliance with the laws in multiple jurisdictions, ORCID reserves the right to modify this Agreement, provided that (i) no such modification will be retroactive; (ii) ORCID will provide Consortium Leader with 30 days' advance written notice of any such modifications and (iii) if any such modification (a) increases the liability exposure of the Consortium Leader; (b) increases the indemnification requirements of the Consortium Leader; or (c) changes the ownership of any intellectual or real property of either Party, such written notice shall be in hard copy format (and not email) to the Main Contact Person listed on the ORCID License Summary. Continued acceptance of the terms and conditions of this Agreement is a condition of the Trusted Party Member Benefits and the licenses granted hereunder. If Consortium Leader objects to any such modifications, License may terminate this Agreement (effective as of the effective date of such modifications) by providing written notice to ORCID prior to the effective date, and ORCID will provide Consortium Leader with a pro-rata refund. Except as set forth in this Section 9.2, and elsewhere herein (e.g., the Privacy Policy, the ORCID Dispute Procedures, and increases in the Trusted Party Member Benefits, and update of contact information), all amendments to this Agreement must be made in writing and signed by both Parties.

**9.3 Notices.** Any notice required to be given by ORCID hereunder shall be given only to Consortium Leader's Main Contact. It is Consortium Leader's responsibility to keep its contact information up to date and to timely forward any such notice to each Consortium Member. All notices given pursuant to this Agreement shall be in writing in English and sent as follows: (i) by internationally recognized courier (e.g., FedEx, UPS) (effective on the next day following the scheduled delivery date), or (ii) by electronic mail (effective on the date the notice is sent), except as set forth in Section 9.2. Notice shall be deemed given and received on the next business day following the scheduled delivery date for courier and the next business day following the date sent for electronic mail. Either ORCID or Consortium Leader may from time to time change the name and contact information on the ORCID License Summary by notice to the other Party in accordance with this Section.

**9.4 Disputes/Governing Law.**

Parties expressly exclude, if applicable, the application of the United Nations Convention on Contracts for the International Sale of Goods. Except as set forth in the ORCID Dispute Procedures (which shall govern the disputes described therein) if the Parties cannot resolve disputes arising out of or relating to this Agreement in an amicable manner, they shall do so through a desk arbitration administered by the American Arbitration Association in the case of domestic disputes and the International Centre for Dispute Resolution of the American Arbitration Association in the case of international disputes (either, the "AAA") governed by its applicable rules, as modified by the following: (i) regardless of the amount in controversy, the matter shall be determined by one arbitrator familiar with the information technology sector based upon written submissions in English and one or more telephonic hearings in English (as determined by the arbitrator); (ii) the

Parties shall submit documents pertaining to the arbitration consistent with AAA rules and as directed by the arbitrator; and (iii) the arbitrator shall render a final binding decision 14 days after the arbitrator declares the hearing closed. The Parties agree that a judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Notwithstanding the foregoing, either Party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or may, without waiving any remedy under this Agreement, seek from any court located in New York, New York, United States (and the Parties consent to such jurisdiction) injunctive or any other type of equitable relief that is necessary to protect the rights or property of that Party, pending arbitration or final determination of the merits of the controversy via arbitration. Consortium Leader and Consortium Members acknowledge that unauthorized use of the Member API Credential, the ORCID Registry, and/or security breaches might cause ORCID irreparable harm.

**9.5 Limitation on Assignment.** No Party may assign, subcontract or sublicense (collectively, "transfer") its rights and obligations under this Agreement in whole or in part, without the prior written consent of Consortium Leader (for Consortium Leader or Consortium Member) or ORCID, as relevant, which shall not be unreasonably withheld, and any transfer to the contrary shall be null and void; provided, however, that a transfer by ORCID (including, without limitation, transfer by ORCID of the ORCID Registry) in the event of a merger, other corporate restructuring or dissolution, shall be permissible without prior consent, provided that (a) the transferee agrees to be bound by the terms of this Agreement, (b) notice is provided to Consortium Leader (for Consortium Leader or Consortium Member), and (c) such assignee is a nonprofit entity capable of fulfilling ORCID's obligations hereunder and to Individuals under the Privacy Policy.

**9.6 No Agency, Joint Venture or Partnership.** Nothing contained herein shall be deemed to create an agency, joint venture, or partnership relationship between the Parties.

**9.7 No Third Party Beneficiaries.** This Agreement has been executed for the sole benefit of ORCID, the Consortium Leader and the Consortium Members and is not intended for the benefit of any third party, regardless of any laws to the contrary.

**9.8 Waiver or Invalidity of any Provision.** Waiver of any provision herein shall not be deemed to be a waiver of any other provision herein, nor shall waiver of any breach of this Agreement be construed as a continuing waiver of other breaches of the same or other provisions of this Agreement. If any provision(s) of this Agreement is/are held to be invalid, illegal, unenforceable, or in conflict with the law of any jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

**9.9 Force Majeure.** No Party shall be in breach of this Agreement to the extent a failure to perform an obligation hereunder results from a condition(s) that is beyond the Party's reasonable control, including, but not limited to, strikes, labor disputes, terrorist acts, or governmental requirements.

**9.10 Drafting.** This Agreement shall not be construed or interpreted against either Party as the drafter.

**9.11 Insurance.** ORCID shall take out and maintain, at all times while this Agreement continues, each of the following insurance policies (**Required Insurances**): (i) Public liability insurance, (ii)

Workers' compensation insurance, and (iii) Professional indemnity insurance. ORCID must not do or fail to do any act or thing that would prejudice its cover under the Required Insurances; and shall provide to the Consortium Leader from time to time upon request such evidence or information as it reasonably requires in respect of the terms and conditions, coverage and currency of the Required Insurances.
