Request to join eduGAIN

Join eduGAIN email template

For Service Providers (SP)

When your SP is ready to be technically connected to eduGAIN, email support@aaf.edu.au using the following template.

Dear AAF Support,

We request that the service "____SERVICE NAME____" operated by "___ORGANISATION NAME___ "be added to eduGAIN.

We have completed and tested the following technical configuration changes:

      - Loading the AAF eduGAIN metadata
      - An eduGAIN enabled Discovery Service

We (do / do not) require this service to assert compliance with SIRTFI.

We (do / do not) require this service to assert Research and Scholarly to enable access to R&S attributes.

Additional Security Contacts for your service:
      "___NAME___"
      "___EMAIL___"
      "___PHONE___"

Support:
To discuss technical requirements, contact:
