32.2 A notice calling a general meeting:

- (a) must specify the place, date and time of the meeting and if the meeting is to be held in two or more places, the technology that will be used to facilitate this; and
- (b) must state the general nature of the business to be transacted at the meeting.

32.3 No business other than that specified in the notice calling a general meeting may be transacted at the meeting.

32.4 A Member desiring to bring any business before a general meeting may give written notice of that business to the Secretary who must, unless the Board determines otherwise, include that business in the next notice calling a general meeting.

32.5 The Board may postpone or cancel any general meeting whenever they think fit (other than a meeting called as the result of a request under clause 30.2). The Board must give notice to all persons entitled to receive notice of general meetings of the postponement or cancellation of a general meeting and the place, date and time of any new meeting.

32.6 The failure or accidental omission to send a notice of a general meeting (including a proxy appointment form) to any Member or other person or the non-receipt of a notice (or form) by any Member or other person does not invalidate the proceedings at or any resolution passed at the general meeting.

Proceedings at general meetings

33 Member

- 33.1 A Member may be present at a general meetings by one Member Representative, or by proxy appointed in accordance with clause 41, representing that Member.

34 Quorum

- 34.1 No business may be transacted at a general meeting unless a quorum of Members is present when the meeting proceeds to business. A quorum of Members is at least fifty per cent of the Members plus one.
- 34.2 If a quorum is not present within 30 minutes after the time appointed for a general meeting:
- (a) if the general meeting was called on the requisition of Members, it is automatically dissolved; or
 - (b) in any other case:
 - (i) it will stand adjourned to the same time and place 7 days after the meeting, or to another day, time and place determined by the Board; and
 - (ii) if at the adjourned general meeting a quorum is not present within 30 minutes after the time appointed for the general meeting, the general meeting is automatically dissolved.

35 Adjournment

- 35.1 The chairperson of a general meeting at which a quorum is present:
- (a) in his or her discretion may adjourn the general meeting with the meeting's consent; and
 - (b) must adjourn the general meeting if the meeting directs him or her to do so.
- 35.2 An adjourned general meeting may take place at a different venue from that of the initial general meeting.
- 35.3 The only business that can be transacted at an adjourned general meeting is the unfinished business of the initial general meeting.
- 35.4 Notice of an adjourned general meeting must be given in accordance with clause 32.1 if a general meeting has been adjourned for more than 21 days.

36 Use of technology for meetings

Where a meeting of Members is convened by teleconference or video-conference:

- (a) each Member given notice of the meeting must be advised in the notice that the meeting is to be held by teleconference or video-conference;
- (b) each Member must have reasonable access to teleconference or video-conference facilities, as the case may be, at the time proposed for the meeting;
- (c) each Member participating in the meeting must be able to hear each other participating Member at all times during the meeting (unless he or she chooses to leave the meeting before its conclusion, with the consent of the chairperson);
- (d) at the commencement of the meeting each Member must acknowledge his or her presence at the meeting to all other participating Members; and

- (e) no Member may leave the meeting by disconnecting his or her telephone or video-conference equipment unless the chairperson has previously given consent (and a Member who disconnects without the chairperson's prior consent is conclusively presumed to have been present for the entire duration of the meeting).

37 Chairperson

37.1 The chairperson of a general meeting will be determined in accordance with clause 16.

38 Decision on questions

38.1 A resolution put to the vote of a meeting is decided on a show of hands unless a poll is demanded by not less than three Members present, or by the chairperson of the meeting.

38.2 Unless a poll is demanded:

- (a) a declaration by the chairperson that a resolution has been carried, carried by a specified majority, or lost; and
- (b) an entry to that effect in the minutes of the meeting,

are conclusive evidence of the fact without proof of the number or proportion of the votes in favour of or against the resolution.

38.3 Subject to the Corporations Act in relation to special resolutions, a resolution is carried at a general meeting if a majority of the votes cast on the resolution are in favour of the resolution.

38.4 A decision of a general meeting may not be impeached or invalidated on the ground that a person voting at the general meeting was not entitled to do so.

38.5 If there is a dispute at a general meeting about a question of procedure, the chairperson of the general meeting may determine the question.

39 Poll

39.1 A poll may be demanded before a vote is taken or before or after the voting results on a show of hands are declared. The demand for a poll may be withdrawn.

39.2 A poll will be taken when and in the manner that the chairperson of the general meeting directs, other than a poll demanded on the election of the chairperson, or the adjournment of a general meeting, which must be taken immediately.

39.3 The result of the poll will be the resolution of the meeting at which the poll was demanded.

39.4 The chairperson of a general meeting may determine any dispute about the admission or rejection of a vote on a poll. The chairperson's determination, if made in good faith, will be final and conclusive.

Votes of Members

40 Voting rights

40.1 A Member entitled to vote has, on either a show of hands or a poll, one vote.

40.2 A Member is not entitled to vote if there are any amounts due and payable but unpaid by the Member to the Company as at the date of the meeting.

- 40.3 The chairperson of a general meeting does not have a casting vote at general meetings.
- 40.4 An objection to the qualification of a voter may only be raised at the general meeting or adjourned general meeting at which the voter tendered its vote. An objection must be referred to the chairperson of the general meeting, whose decision is final. A vote which the chairperson does not disallow because of an objection is valid for all purposes.

41 Votes by proxy

- 41.1 A Member may appoint any employee of any other Member as its proxy. A proxy may demand or join in demanding a poll and may vote on a poll.
- 41.2 A proxy may vote or abstain as he or she chooses except where the appointment of the proxy directs the way the proxy is to vote on a particular resolution. If a proxy votes at all, the proxy will be deemed to have voted all directed proxies in the manner directed.

42 Document appointing proxy

- 42.1 An appointment of a proxy must be in the form set out in Appendix 2.
- 42.2 No Member may hold more than 5 proxy appointments for any general meeting.
- 42.3 A proxy may be appointed for all general meetings or for any number of general meetings or for a particular purpose, and a proxy's appointment is valid at an adjourned general meeting.
- 42.4 If a proxy appointment is signed by the Member but does not name the proxy or proxies in whose favour it is given, the chairperson may either cast as proxy or complete the appointment by inserting the name or names of one or more Directors or the Secretary.
- 42.5 The written appointment of a proxy must be received by the Company at least 48 hours (unless otherwise specified in the notice of meeting to which the proxy relates) before the time for holding the general meeting or adjourned general meeting at which the appointee is intended to vote.

43 Written resolutions

- 43.1 The Members may pass a resolution without a Member's meeting being held if all Members entitled to vote on the resolution sign a document containing a statement that they are in favour of the resolution set out in the document. The resolution is passed when all such Members have signed.
- 43.2 For the purpose of clause 43.1, separate copies of a document may be used for signing by Members if the wording of the resolution is identical in each copy of the document.
- 43.3 Any document referred to in clause 43.2 may be in the form of a facsimile or electronic transmission.
- 43.4 The minutes of Members' meetings must record that a meeting was held in accordance with this clause 43.
- 43.5 Where the Corporations Act or this Constitution requires a resolution to be passed or approved by a majority other than a simple majority, the process outlined in this clause 43 applies mutatis mutandis save for the requirement that the applicable required majority of Members must be in favour of the resolution and sign the document.
